F.lli Denarier Giorgio & Edoardo S.n.c.

The Denarier company was founded in 1980 from a passion for woodwork shared by two brothers from Avise, Giorgio and Edoardo. Their main production is turned objects, creating gift items and household accessories.

The Denarier brothers specialise in creating household objects such as fruit bowls, dishes, baskets, nutcrackers, cutting boards and bowls which combine being beautifully made with being functional.

Their work is characterised by their ability to innovate while keeping a strong tie with the traditions and history of craftsmanship of the Aosta Valley.

Their products can be found in France and Switzerland.Both French and Italian are spoken within the company.
