

Soluzione S.r.l.

Soluzione has been working with IT since 1980. We provide complete hardware and software services, mainly for Management: analysis and planning, implementing client-server type IT systems for Microsoft SQL Server, Microsoft Access, and Oracle, implementing web-based systems, and providing training using all the standard management tools for companies and corporations. During 2001, we were awarded ISO 9001 certification.

SYSTEMS DEPARTMENT: Planning, selling, and after-sales service. Selling ready-to-use hardware solutions. Designing computer network installations and communications systems (email, fax servers, and data transfer).

MANAGEMENT DEPARTMENT: Dealers for the Zucchetti "AD HOC" management procedure, which can be customised to specific needs, general accounts, warehouse and sales, orders, payments in and out, and pre-taxation.

SOFTWARE DEVELOPMENT DEPARTMENT: Planning and developing customised solutions for companies and public corporations.

ARCHITECTURES: Client-server, web (internet-intranet), document storage, and work-flow.
