M. e M. Gioielli di De Matteis Morena

M. e M. Gioielli is an artisanal goldsmith who creates high quality jewellery using natural stones and precious metals.It does repairs for private individuals and for companies.

The company specialises in providing services for third parties such as:

- finishing jewellery
- setting stones with magnifier
- engraving
- polishing jewels

All work is by hand or with semi-industrial methods.

The atelier produces high quality jewels and aims to support the Made in Italy brand in the world.

The staff is highly qualified, with skills developed over many years experience in the jewellery industry, working for or with companies which serve the greatest names of international high jewellery. The staff also continues to follow specialisation course at qualified goldsmith schools.
