

Musumeci S.p.a.

A serious and reliable partner.

Musumeci SpA is an industrial company operating at a European level specialised in the **production of books and commercial materials**. The company is guided by its belief in customer service and offset printing is its daily work. This is a company which focusses on quality, punctual delivery, the health and safety of its staff and respect for the environment.

Musumeci SpA was granted **FSC® certification** for its use of wood from forests managed in a correct and responsible manner according to rigorous environmental standards.

Its services are based on crucial technical elements which enable it to **offer a comprehensive, cutting-edge, fast and punctual service**.

- **Pre-press:** data transfer via the web, remote approval of

blueprints, layout, colour correction and image editing.

- **8-colour Heidelberg XL offset printing** press with 10-colour acrylic paint group with in line controls of press parameters, which guarantee the client the utmost quality and competitiveness.
- **Cutting lines, creasing and laminating**
- **Finishing:** folded, stapled, paperback binding (stitched, Hot Melt and PUR glue perfect binding) with Heidelberg Eurobind PRO 6000 new line and hardbound.
