Proxima s.a.s.

Proxima sas is a company that since 1994 produces and sells technical sportswear, especially for cross-country skiing, ski mountaineering, cycling and running.

The company supplies many famous international brands such as Rossignol, Ski Trab, SkiGo.

Proxima is a small company with great flexibility in responding to clients' requests and in following market trends. It produces highly technical clothing, with personalised lines and details, in batches varying from 20 to 5000 items.

Constant technological innovation, project development guided by client specifications and production of fully customised technical clothes are the main features which characterise the company.

Main products:

- Snowsuits in one or two pieces for cross-country skiing

and ski mountaineering
- Jackets and trouser suitcovers for cross-country skiing and ski mountaineering
- Hats and headbands for cross-country skiing and ski mountaineering
- Tops, windproof jackets, shorts, salopettes and various accessories for cycling
- Tops and shorts for running
