CHAMBRE VALDÔTAINE

MADE IN VDA

Le Cuir d'Andres di Villegas Castiglioni Aldo Andres

A traditional artisanal atelier where unique and typical objects are made such as bags, small cases, traditional ornaments and other small leather items.

All items are unique: they are entirely hand-made with the use of few specialised tools. By creating models and prototypes, an large number of various objects can be produced, each personalised and specially made for a specific use. The atelier offers clients a choice of leather, colour and type of construction.

For several years now the atelier has organised courses of traditional leather-working at Saint-Pierre, Cogne, La Salle and

has worked with libraries and small municipalities in the valleys.

The company has taken part in the “Artigiano in Fiera” trade fair in Milan to display craftsmanship.
