Atelier des Idées sas

Atelier des Idées creates and produces food supplements and cosmetics with local and Alpine medicinal plants and raw materials.

It also experiments in the cultivation of medicinal plants.

Cosmetology and consultancy.

Atelier des Idées products:

- mountain phyto cosmetics of the the “Dottor Nicola Farmacista” line
- food supplements

MOUNTAIN PHYTO COSMETICS
Mountain phyto cosmetics ® contain organic distilled water, officinal plant extracts and raw materials from the Valle d'Aosta or the Alps in general.

REINETTE APPLE LINE
The apple mountain phyto cosmetics are made with Reinette apple juice produced by the cooperative Cofruits. The high-quality apple juice, obtained by pressing Reinettes grown in the Aosta valley, is rich in vitamins and antioxidants. The apple phyto cosmetics line consists in: shower gel, shampoo, moisturising water and toning fluid for the body. It combines love for the region with knowledge of natural dermocosmetics.

MOUNTAIN MILK AND BUTTER LINE
The phyto cosmetics line with mountain milk and butter is a line for face and body designed to respect even the most sensitive skin. The milk from the Institut Agricole Régional and from Fratelli Panizzi is produced with care, respecting animals and land. Its characteristics bring unique properties to the milk which is particularly rich in vitamins, minerals and proteins. The milk and the butter are produced by Institut Agricole Regional and by Fratelli Panizzi of Courmayeur.

Company strengths:

- selected distribution in Italy
- presence and use of the products in prestigious and elegant hotels
