Baravex Lino Augusto & C. s.a.s. / Baravex Pietre

Baravex Pietre is a branch of **Baravex Lino Augusto & C. sas**, which has thirty years experience in the **construction sector, earthworks, concrete and quarrying.**

It was founded in 2011 when the **Pietra Verde** quarry was opened in Lavenche, in the muncipality of Nus (AO).
The company's main objective is to promote internationally **Made in VdA** material with its characteristics which make it unique and desirable. Bravex Pietre boasts a 360o production chain, as it quarries the stone, transports it, proceeds with the t**ransformation process** and commercialises it.

Baravex Pietre **products** are primarily **aimed at urban exteriors** and include:

- facing stones
- various slabs
- accessories and fittings (benches, bases, doors, windows, sculptures etc...)

As well as its own materials, the company sells a selection of national and international stone so that it can offer its customers a complete choice of the **various types of stone**.

The **services offered** by Baravex Pietre are designed to offer its customers as complete service. Specifically: surveys, estimates, the production of made-to-measure pieces, supply, transport, installation, continued customer service.

Baravex Pietre's main strength is the experience its parent company Baravex Lino Augusto & c sas has acquired over more than 35 years in the construction sector, in earth movement and quarrying. This adds value to its service as its experience in the construction sector means it has the **right knowledge and qualified workers to deliver the work and choose the most appropriate materials.**

The **company's second strength is the ISO 9001 certification of the company's management**, which rewards its professionalism and propriety over the years.
