Done wifi di Studio Armonia Srl

Done wifi Valle d'Aosta is the connectivity brand of Studio Armonia srl, a leading company in the Aosta Valley which, thanks to its proprietary infrastructure characterized by over 120 pylons throughout the area, guarantees **high-speed ultra-broadband internet connections** (even reaching at 130 mbps per customer) for both private and business users.

Thanks to the project "**Let's connect the Aosta Valley"**, Done wifi provides high-speed services in the Aosta Valley and Canavese areas giving users the opportunity to choose from a wide range of profiles and offers on flat connections, on demand for second homes and activities (Private and Business Buy&Go), condominiums, accommodation facilities and events.

The headquarters is located in via Tourneuve 6 Aosta. The Done datacenter, administration, sales management, helpdesk and network development department are housed here. There are 3 points of sale in the region in Aosta, Chatillon and Pont Saint

Martin.

COMPANY MISSION
The goal of Done wifi is to connect the people of the Aosta Valley to a highly innovative and high-performance network, containing costs for users and offering highly professional services.
